

## § 1952.321

1910 and 1926. The State program is to extend its protection to all employees in the State including those employed by it and its political subdivisions.

(b) The plan includes existing enabling legislation and the Indiana Occupational Safety and Health Act (IC 1971, 22-8-1.1 *et seq.*) as well as amendments to this Act which were passed and became effective on May 1, 1973. Under the Act as amended the Division of Labor has authority to administer and enforce the provisions of the State plan.

(c) The legislation provides procedures for the promulgation of standards; furnishing information to employees on hazardous and toxic substances; and procedures for granting temporary and permanent variances. The law also contains procedures for inspections including inspections in response to complaints; ensures employer and employee representatives an opportunity to accompany inspectors and to call attention to possible violations before, during and after inspections; protection of employees against discharge or discrimination in terms or conditions of employment through court suits brought by the Attorney General at the request of the Commissioner; notice to employees of their protections and obligations under the State law; prompt restraint of imminent danger situations; safeguard to protect trade secrets; prompt notice to employers and employees of alleged violations of standards and abatement requirements; effective sanctions against employers; and employer right to review of alleged violations, abatement periods, and proposed penalties with an opportunity for employee participation and employee right of review of such abatement periods.

(d) The plan also contains a voluntary compliance program. The State will conduct seminars, conferences and meetings designed for management, supervisory personnel, employees and union representatives to transmit information about its safety and health program. These programs are specifically designed to cover the following areas: general industrial safety, construction safety, first aid instruction, supervisory safety training, hazard recognition, Indiana occupational health
